## **PROFIT WARNING**

This announcement is made by China Qinfa Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of The Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors of the Company (the “**Directors**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on information currently available to the Company and the preliminary review on the Group’s unaudited consolidated management accounts for the year ended 31 December 2019, the Group is expected to record a profit attributable to equity shareholders of the Company for the year ended 31 December 2019 not less than RMB70 million, as compared to profit attributable to equity shareholders of the Company of approximately RMB1.5 billion for the year ended 31 December 2018. Notwithstanding the increased production volume from coal mining operation, the consolidated profit attributable to equity shareholders of the Company for the year ended 31 December 2019 decreased mainly due to the absence of the one-off gain on the extinguishment of borrowings recorded for the year ended 31 December 2018.

The Group's annual results for the year ended 31 December 2019 have yet to be finalised. Hence, the information contained in this announcement is only a preliminary assessment performed by the management of the Company and is not based on any figures or information which has been audited or reviewed by the Company's auditor. Shareholders and potential investors are advised to read carefully the annual results announcement of the Company for the year ended 31 December 2019, which is expected to be published before the end of March 2020 in accordance with requirements under the Listing Rules.

**Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.**
